Chapter 7 **The Mad Tea Party**

It's the stupidest tea party ever according to Alice except for Hatter's eye opened so WIDE and began asking riddles

"I believe I can guess it" said Alice

"You should say what you mean"

"I do, at least I mean what I say—that's the same thing, you know."

"Not the same a bit! You might just say that 'I see what I eat' is the same as 'I eat what I see!'"

"You may just as well say 'I breathe when I sleep' is the same as 'I sleep when I breathe!'"

Chapter 8 **The Queen's Croquet-Ground**

Chaos! Five and Seven keep painting the roses red; Alice whacks the hedge-hog "ball", which keeps wandering off; the Queen of Hearts continually shouts "Off with her head!" "Off with her head!"-- while the Cheshire Cat floats benignly above.

Chapter 9 **The Mock Turtle's Story**

1. Water

H₂O is very scientific ---
 It looks just like water ---
 Isn't that terrific!
 Yes, good ol' H₂O
 Is such a tasty drink,
 No soup should be without it,
 So don't wash it down the sink

2. Onions and Carrots

Carrots have appeal
 and Onions are essential
 And though they make you cry,
 They'll never give you bunions.
 Just put fourteen carrots in
 And now you have a soup
 That's 14 Karat Gold
 And doesn't taste like gloop.

3. Mockery

What's Mock Turtle Soup
 Without a bit of Mockery?!
 Put it in a soup tureen,
 A lovely piece of crockery.
 Don't blame the turtle,
 It's really not its fault!
 But if there's something missing,
 Just add a bit ofsalt!
